Day of Training Seminar

2015 IMC® Design, Installation and Inspection Principles

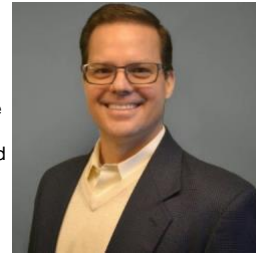

November 14, 2018 8-330

City of Hoover 2nd Floor Meeting Room

Jim Cika

Director of PMG Technical Resources

- Jim has over 20 years of experience in the manufacturing and construction industry. Most recently, he was the Director of Engineering and Product Management at HTP Comfort Solutions, a heating and hot water appliance manufacturing company. Previously, Cika served as Manager, Solar Products for Heliodyne and Velux America (both members of the Velux Group) where he was responsible for developing and expanding their solar water heater businesses in North America. Cika also worked for Rheem Water Heating, and prior to that Rinnai America, where his primary responsibility for both companies was the development and launching of their tankless water heater product lines in North America.
- Earlier in his career, Cika was with Atlanta Gas Light Company where he gained extensive experience in the performance and safety testing of gas appliances. He also has prior experience as an HVAC design engineer. Cika has a Bachelor's degree in Mechanical Engineering from the Georgia Institute of Technology.
